Session on 'Design Thinking & Entrepreneurship' by StartupYou

Dear Parents,

Greetings!

We are pleased to inform you about an upcoming session on 'Design Thinking & Entrepreneurship' that will greatly benefit our students in Grades VII to XII. As part of our commitment to preparing students for the dynamic and uncertain future, we are excited to introduce them to the world of entrepreneurship and innovation through the StartupYou program. This session is designed to foster qualities such as goal setting, problem-solving, creativity, innovation, risk-taking, and embracing failures.

StartupYou Program:

The StartupYou program is a unique online initiative that focuses on nurturing life entrepreneurs. It empowers students from Grade VII onwards to cultivate competencies in innovation, business, and leadership. This program has successfully engaged over 4000 students across India, leading to the development of 20 student founders and 6 students applying for product patents with socially impactful ideas.

Session Details:

Date: Thursday, August 24, 2023

Time: 10:00 a.m. – 12:00 noon- (two slots)

Venue: Multi Purpose Hall, Satya School

Your child will be attending this enriching workshop and will share their engagement and learning with you. We encourage all parents to engage in conversations with their children about the concepts covered in the session. You can find detailed information about the StartupYou program on their official website: www.startupyou.in. We believe that this workshop will empower our students to think creatively, develop solutions, and approach challenges with an entrepreneurial spirit.

Warm regards,

Neeti Bhalla Saini
Executive Principal
