Dear Parents,

Greetings!

This is to inform you of the decision to postpone the Primary School's Annual Production originally scheduled for December 9, 2023.

Due to recent environmental pollution concerns in the area, we believe it is in the best interest of everyone involved to delay the event. The safety and health of our students remain our top priority, hence, we have rescheduled the production to **Wednesday, December 20, 2023**, which will be held in two shows, the details of which will be shared with you closer to the date.

We understand the excitement and anticipation surrounding this event, and we sincerely apologize for any inconvenience caused.

We will keep you updated with further details closer to the date. You are requested to make your travelling plans as per the scheduled winter vacations starting from Thursday December 28, 2023 till Friday January 12, 2024, post the above-mentioned date for your ward to participate actively and be a part of the production.

Thank you for your understanding and we sincerely look forward to your support!

Warm regards,

Neeti Bhalla Saini
