December 11, 2023

Dear Parents,

Greetings from Satya School!

We kindly request all parents to ensure that their wards come to school in proper winter uniform. Adhering to school dress code creates a sense of unity and pride amongst the students.

Please make sure that you purchase the complete uniform at the earliest. If you are unable to get the required size or item from the vendor, please inform the respective Class Teacher or Ms. Shalini (9650148866), we will try to find out a suitable solution with the vendor at the earliest.

Important Points:

- Students are strictly prohibited from wearing any jacket other than the school-approved uniform.
- In case the child is feeling cold, she/he is permitted to wear plain caps and earmuffs only in black, navy blue or grey. Only simple and non-fancy accessories shall be allowed.
- Students should strictly wear black school shoes, any other sports shoes are not allowed, unless there is a medical condition.

We appreciate your cooperation and understanding in ensuring that our school environment remains conducive to effective learning. Thank you for fostering a disciplined educational experience for our students.

Warm regards,

Neeti Bhalla Saini
Executive Principal
