

**SATYA/ADMN/CIR/2025-26/149**

**February 06, 2026**

Dear Parent,

Namaste!

We are delighted to invite you on **March 6, 2026**, for the **PYP Exhibition**, a key milestone in your child's **Primary Years Programme** journey. The PYP Exhibition is a culmination of the student-led inquiry that brings together skills, knowledge, concepts, and attitudes developed throughout the PYP. The Exhibition celebrates not just what students have learned, but how they have learned and how they apply their understanding to make meaningful connections with the world around them.

We encourage you to mark your calendars for **Friday, March 6, 2026** and be part of this important learning experience, as your presence and support play a vital role in motivating and empowering our students.

Further details regarding the time and format of the Exhibition will be shared shortly.

We look forward to partnering with you as we celebrate this proud and memorable milestone for our Grade V students.

For any questions, please contact the Homeroom Teacher (HRT).

Warm regards

**Manisha Malhotra**  
**Director Principal**
