Dear Parent,

Namaste!

Our school organizes an Experiential Learning Program for senior grade students in the month of June to provide them with real-world exposure and practical understanding of different professional environments.

If you are interested in collaborating with the school and can facilitate this experiential learning opportunity in your organization/firm for our students, we would be delighted to partner with you.

Kindly fill in and submit the attached form with the required details if you are willing to host or support this program.

We look forward to your valuable support in enriching our students' learning experiences.

Warm regards

**Manisha Malhotra**
