Dear Parent,

Namaste!

As our students enjoy their session break, we encourage them to continue exploring the wonderful world of books available on **Collins Hub**.

This is a great opportunity for students to relax, recharge, and at the same time, nurture their love for reading.

Even a short daily reading habit can spark imagination, strengthen comprehension, and build vocabulary. Collins Hub offers a wide variety of genres, from adventure stories and biographies to poetry and fables, ensuring that every child finds something that excites them.

We invite you to support your ward by setting aside a few minutes each day for reading and encouraging them to share their favourite discoveries when school resumes. Together, we can make this break both restful and enriching.

Thank you for helping us foster a strong reading culture.

Warm Regards

Manisha Malhotra
