

SATYA SCHOOL

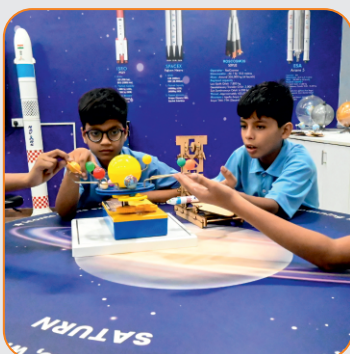

Satya School is a leading K-12 institution in Gurugram, offering the IB Primary Years Programme and CBSE curriculum within a future-ready learning environment. Spread across a five-acre campus, the school combines academic excellence with innovation, technology-enabled learning, and world-class sports infrastructure to nurture holistic development and prepare students for global opportunities. Following a child-centric approach, the school maintains a student-teacher ratio of 1:10 and empowers teachers through best educational practices and training.

HOLISTIC TEACHING & LEARNING

- 1 Personalized Learning Approach**
At Satya, we tailor education to the unique needs, interests, and learning styles of each student.
- 2 Global Practices**
Rooted in Indian ethos & value systems, our educational approach seamlessly integrates international & intercultural perspectives, fostering a well-rounded global outlook.
- 3 Futuristic Curriculum**
We provide a dynamic curriculum integrating the IB Primary Years Programme & CBSE for Grades VI-XII, fostering global perspectives while maintaining a strong national foundation, equipping students with critical thinking & essential life skills.

- 4 World - Class Infrastructure**
Spread over a 5-acre campus surrounded by lush green lawns, Satya School offers modern facilities, wide-open corridors, well-equipped science laboratories, a state-of-the-art auditorium, computer & innovation laboratories, Spacelab, a comprehensive library and 100% digitally enabled smart classrooms. The school is equipped with world-class sports facilities like an indoor multipurpose hall, an all-weather swimming pool, squash courts, a basketball court, cricket nets and a football ground, among others.
- 5 Empowered Teachers with Global Standards**
Our teachers are empowered to deliver world-class education to their students and trained to the highest global standards, ensuring that they are equipped to inspire and educate the next generation.
